In each position block (for absentee ballots only) choose your candidate in your preference order. For example, for the President block, in the small column place a #1 after your first choice; a #2 after your second choice, a #3 after your third choice, etc. Your 1<sup>st</sup> choice will be used as long as that referee is in the running. If that 1<sup>st</sup> choice candidate is eliminated, then we will use your choice #2, etc. It will take 50+% of the votes for a candidate to be elected.

For the at-large column, there will be 5 referees elected to fill these 5 positions, so please sequence your votes from #1 to however many #'s there are, making sure that your top 5 are definitely indicated.
